

## SCP Diversity Travel Scholarship

The objective of the Ethnic Minority Affairs Committee of the Society for Consumer Psychology is to enhance understanding of culture and ethnicity by 1) increasing ethnic minority participation in the society and 2) fostering communication, coordination, and interaction among all Society members with an interest in ethnic minority research. The committee seeks to play a key role in shaping policies of the Society involving the professional development of ethnic minority members and the inclusion of ethnic minority research.

### Travel Scholarship Objective:

To support the goals of the Ethnic Minority Affairs Committee by increasing active participation and fostering future leadership in SCP among diverse doctoral student groups that are underrepresented in consumer psychology.

### Applicant Requirements:

Applicants must be from one of the following populations: African American, Hispanic American, or Native American, or from a population outside the U.S. that is underrepresented in their country and in consumer psychology.

Applicants must be currently accepted or enrolled in a doctoral program.
